Online Placement Test Navigation

Some tests may have multiple components. All components must be completed.

The tests are timed

![Confirmation](image)
Special characters for written answers are located at the bottom of the text box.

You can navigate to different pages by clicking on the page buttons.
The Summary Page displays questions answered (page buttons in gray) and not answered (page buttons in white). Click on the question number or page button to return to that page. Click the Submit button when test has been completed.
